Greg Thompson, Mayor
L. Wayne Adcock, Vice Mayor

November 19, 2012

To the Honorable Mayor,
 Members of the City Council
 Employees and Citizens of the City of Monroe, Georgia

In accordance with state and local ordinances, we are pleased to submit for your consideration and approval the Fiscal Year 2013 Operating Budget. This document is a statement of policy and planning which defines the level of services and activities for the upcoming year.

Budget Highlights

The combined recommended budget for FY 2013 is \$51,284,529, an increase of \$1,537,345. The primary reason for the increase is the inclusion of the SPLOST 2011 budget of \$1,230,000 and a \$187 thousand increase in cost of employee retirement and health insurance. A summary of the FY 2013 is as follows:

Revenues	General Fund	Special Revenue Funds	Debt Service Fund	Capital Projects Fund	Enterprise Funds
Taxes	5,818,836	25,000			
Other Revenues	1,650,658	30,000		1,230,000	39,860,007
Other Financing Sources	1,916,150				
Fund Balance					
Transfers In			753,878		
Total Revenues	9,385,644	55,000	753,878	1,230,000	39,860,007
Expenditures					
General Government	888,617	25,000			
Finance	457,038	-			
Protective Service	542,564	-			
Fire	1,465,174	-		400,000	
Highways & Streets	1,693,627	-		515,666	
Police	3,309,108	30,000		133,334	
Buildings & Grounds	225,638	-			
Combined Utility	-	-			34,692,507
Combined Utility	-	-			92,500
Solid Waste	-	-		181,000	5,075,000
Total Operations	8,581,766	55,000		1,230,000	39,860,007
Other Financing Uses	803,878				
Debt Service			753,878		
Total Expenditures	9,385,644	55,000	753,878	1,230,000	39,860,007

**Councilmembers: Larry A. Bradley • Denise H. Dixon • Nathan Little
 Lee P. Malcom • Nathan Purvis • Jimmy Richardson • Rita A Scott**

Below is a summary of service level changes by fund.

<u>Fund</u>	<u>FY 2012</u>	<u>FY 2013</u>	<u>Difference</u>	<u>Percent Change</u>
General Fund	\$ 9,506,581	\$ 9,385,644	\$ (120,937)	-1.27%
Special Revenue Funds	55,000	55,000	-	-
Debt Service Fund	722,103	753,878	31,775	4.40%
Capital Projects Fund	-	1,230,000	1,230,000	-
Enterprise Funds	39,463,500	39,860,007	396,507	1.00%
Total	\$49,747,184	\$51,284,529	\$ 1,537,345	4.13%

- **Personnel** - There are 7 vacancies citywide that are funded in this proposed budget, which will be filled as needed and as agreed upon in conjunction with the applicable department heads. In addition to these vacant positions there are 10 additional positions citywide that are unfunded. The city now has a total of 26 unfunded positions since 2006.
- **Succession Planning** - It is the goal of this budget to address retention and succession planning. The city spends a fair amount of money training and educating employees to perform their jobs in a manner which is complementary of the city. Positions in five of the seven city departments have been created to commence this process. It is the intention to fill these positions internally.
- **Benefits** - An increase to costs of employee retirement and health care benefits has been added to the FY 2013 budget.
- **Capital Projects** - The proposed FY 2013 Budget contains only capital projects with a dedicated funding source, such as grants, previously issued bond proceeds, GEFA debt and SPLOST which is included as a separate fund. By ordinance, the City has established a utility capital improvement reserve to fund large future capital projects. Included in the annual budget and financed from current revenues is \$1.66 million of funding for this reserve.
- **Capital Assets/Expenditures** - Purchase of capital assets/expenditures are funded out of the current budget. The City has no significant nonrecurring capital expenditures for 2013.
- **Revenue** - General Fund revenue is showing a slight decrease due to a reduction in property tax digest values. Some of the reduction was offset by an increase in charges for services as an increase to employee health insurance payments.

Combined Utility revenue is showing a slight increase due primarily to an increase in telecommunication customer base, restructuring for digital CATV and an increase to CATV monthly funding.

Solid Waste Enterprise Fund revenue has increased and is helped with a modest rate increase of 3% as of January 1 of each year. This increase is needed to help offset the increases in landfill fees and other operating costs.

Goals and Priorities

The following are some of the major goals and priorities of the City:

- During FY 2012 the City started rehab of sewer lines to serve one of our lower income areas with funds from a Community Development Block Grant (CDBG FY09). The City was awarded additional funds (CDBG FY11) to continue with our sewer rehab project and we expect to start that project in FY2013.
- The City completed Phase I of the upgrade to our existing water treatment plant and is near the completion of Phase II. The financing for these improvements is being done with low interest loan funds from the Georgia Environmental Facilities Authority (GEFA). These improvements will ensure continuation of a quality water supply for our citizens and improve the operation of the City's water treatment plant. The City of Monroe, Walton County and Georgia DOT continue the engineering phase of the GA Highway 138 extension project. The "Charlotte Rowell Boulevard" project remains on schedule and the project is expected to go to bid in 2013. As part of this project water lines will be relocated, the bid opening is scheduled in November, 2013.
- Continue partnership with Walton County on the project for a truck bypass around the historic downtown area. Engineering is underway and negotiations continue with GDOT for approval and eventually the construction of this much needed connector.
- The City's continuation of the Streetscape improvements downtown should begin in FY 2013. The City has received two Transportation Enhancement (TE) grant along with LCI funds to improve both sides of Broad Street with sidewalk, retaining walls, pavers, landscaping and lighting from Alcovy Street through the Walker Street intersection. This project will continue the improvements into the old "Monroe Mill" district.

- Monroe's Main Street Program and the Downtown Development Authority continue their efforts to promote the downtown district and attract tourism into the City. The Main Street Program sponsors multiple activities and events throughout the year, such as the Memories in Monroe Classic Car Show, Super Summer Kids Activity Fair, First Friday Concerts during the summer months, Fall Fest and Winter Fest. The Monroe Farmers Market just completed a successful first season showcasing local producers and growers giving citizens a variety of fresh, locally grown products. Together, the Main Street Program and DDA strive to create a thriving downtown environment centered on historical preservation, community involvement and economic development.
- The City's Finance Department received awards from the Government Finance Officers Association for the City's FY 2010 Comprehensive Annual Financial Report and the FY 2010 Popular Annual Financial Report. We have submitted our 2011 reports and in addition the Department plans to submit to GFOA the City's Annual Budget for review.
- The City will continue to promote and encourage economic and community development on both a local and regional platform. It is our intention to strengthen the ties with the Economic Development section of Electric Cities of Georgia as well as the Walton County Development Authority. Both of these organizations allow for Monroe to have a "seat at the table" for state-wide economic development.

Summary and Conclusion

I believe this FY 2013 budget represents a conservative fiscal plan for the upcoming year and provides a high level of services for our citizens as in prior years, despite the fiscal challenges presented by an economy in recession and reductions in taxable property values.

I would like to thank the Mayor and City Council for their continued direction and support. I also want to thank the Finance Department Staff and each Department Head for their work and dedication. I appreciate all the city staff responsible for implementation of this budget.

Respectfully submitted,

Matthew Chancey, Interim City Administrator

City of Monroe's Mission & Goals

Organizational Mission:

To provide top-quality services in a fiscally responsible manner while promoting high standards of living and quality of life.

Organizational Goals:

City Council – To provide sound leadership through diligent policy making while acting to preserve our resources in a fiscally responsible manner; to take the best interest of the city to heart by listening to constituents and staff and make policy decisions based off facts.

City Employees – To serve the public by creating a community- friendly atmosphere; to provide and preserve the highest quality municipal services while operating to accomplish objectives.

Communications - To educate our citizens and keep them informed on City programs and keep an open dialogue with management, staff and the community on a regular basis.

Economic Development - To ensure continued sustainability of the community; encourage existing businesses to improve and upgrade; recruitment and quality development of new businesses; encourage livable, walkable communities.

Fiscal Responsibility - To make reasonable financial decisions which have the best interest of the City and the community at the forefront; to allocate resources fairly to meet the needs of the community as a whole, while recognizing the needs of various segments within the community.

Public Safety - To assure the safety of our residents, our streets, and our community as a whole; to be prepared for disasters and provide for the protection of life and property in such event.

Public Infrastructure - To protect, preserve and improve the City's public infrastructure; to plan for future development and prevent system aging by applying proper maintenance techniques.

Mission & Goals Continued:

Quality of Life - To provide a culturally and aesthetically pleasing atmosphere and a high level of "community" experience by providing the necessary resources (i.e. activities, infrastructure and clean environment) for everyone to enjoy.

Transportation - To provide and maintain quality streets; to properly maintain traffic signs and signals; to provide for the alternative transportation needs of all segments of the community.

General Information

The City of Monroe in Brief

The City of Monroe, Georgia, incorporated November 30, 1821. The city is also proud of our nickname, "City of Governors", because of the seven Georgia governors the city has produced. Monroe was named after the fifth U.S. President, James Monroe. The City is located in the heart of Walton County.

The restored Walton County courthouse is the center of Monroe's Historic District. Also located in this district is the Davis Edwards House and the McDaniel-Tichenor House, home to former Georgia Governor Henry D. McDaniel. Both are listed on the National Registry.

The City is the county seat and the largest city in Walton County. Walton County is nestled in the Alcovy River basin between the urban sprawl of Atlanta and classic Athens, Monroe offers the best of both worlds. Our rich history draws visitors to Monroe; our small town atmosphere, engaging cultural life, and high tech capabilities entice them to stay. Monroe's colorful history is typified by ante-bellum homes, historic downtown, and venerable government buildings. Monroe's future is exemplified by intermingling these historic areas with planned residential growth and high-tech industries.

For years, many visitors have portrayed our city as the perfect place for visiting historic sites, shopping, dining, and strolling the tree lined streets of a beautiful downtown. Our convenient location makes visiting Downtown Monroe a great day trip or relaxing weekend destination. The City of Monroe offers many events and activities throughout the year, including festivals, concerts, and parades.

Also attracting both individual and corporate customers is the Monroe Utilities Department; Monroe's community-owned, full-service utility company providing Monroe and Walton County residents a wide range of services including; water, electricity, gas, sewer, cable TV, high-speed internet, and voice over internet phone service. Additionally, the Monroe Utilities Department provides a citywide broadband fiber optic system typically found only in larger metropolitan areas.

City Map

The City of Monroe is located in Walton County, Georgia
Population 13,234

Budget Adoption

The City of Monroe's budget process complies with State Law and local ordinance. The budget is adopted by resolution, a public hearing is advertised and held and the final budget is advertised.

The budget development is led by the City Administrator who according to local ordinance shall prepare and submit the annual operating budget and capital budget to the Mayor and Council. The following process represents many months and hours of work involving a wide range of individuals in order to complete the final budget document:

- The Finance Department distributes spreadsheets showing budget to actual figures to all departments of the City. Staff begins the budget process by reviewing the current year and preparing a preliminary department budget using budget constraints put forth by the administration.
- The Finance Department along with the City Administrator prepares revenue budget estimates. In addition to preparing the revenue budget, customer fees are also analyzed.
- The City Administrator reviews each department's proposed budget making any needed adjustments.
- Prior to January 1, the City Administrator submits to the Mayor and City Council a proposed operating budget for the fiscal year commencing on January 1. The operating budget includes proposed expenditures and the means for financing them. Council meets to discuss the proposed budget and makes adjustments as needed.
- The City Council holds a public hearing on the budget, giving notice thereof at least ten days in advance by publication in the local newspaper.
- The budget is then revised and adopted or amended by the City Council at a subsequent regular meeting in the year to which it applies and within forty-five days following January 1.
- The adopted budget may be revised during the year only by formal action of the City Council in a regular meeting and no increase shall be made without provision also being made for financing same, for anything above the legal level of budgetary control, which is the department level. However, transfers within a department may be made within any fund.

Budget Amendments

The City of Monroe's budget is a dynamic rather than static plan, which requires adjustments and formal budget amendments as circumstances change. Georgia law regulates how a budget may be amended. There are two types of amendments: budget transfers and appropriation changes.

The Finance Director and City Administrator are permitted to transfer appropriations within a department upon the request of a Department Head. These transfers do not change the total for a department. Transfers between departments and budget amendments require approval of the Mayor and City Council.

The appropriation resolution includes all the City's General Fund and Enterprise funds and the other Governmental funds listed in the table of contents. The City's fiscal year begins on January 1 and ends on December 31.

Budget Calendar

Date(s)	Activity/Task
September 4, 2012	Budget Instructions and forms are distributed to Department Heads
September, 2012	City Administrator prepares revenue budget estimates
September, 2012	City Administrator meets with departments to review project requests
September 28, 2012	Departments submit line item budget requests to City Administrator
October 8-15, 2012	Finance compiles budget requests, revenue estimates and personnel costs into a document for review
October 15-19, 2012	City Administrator reviews each department's proposed budget making any needed adjustments
November 10, 2012	Mayor and Council meet with City Administrator to discuss and review proposed budget making adjustments as needed
November 18, 2012	Notice to the public of availability of the proposed budget and announcement of public hearing
November 19, 2012	The proposed budget is made available to the public
December 6, 2012	City Council holds a public hearing, giving notice thereof at least ten days in advance by publication in the official organ of the City of Monroe as established by State Law
December 11, 2012	The City Council approves proposed budget and following the public hearing adopts a final balanced budget by resolution within forty-five days following January 1
December 12, 2012	The final budget as adopted is published and distributed

Budget Resolution

A RESOLUTION ADOPTING THE 2013 BUDGET FOR THE CITY OF MONROE, GEORGIA; APPROPRIATING AMOUNTS AS SHOWN IN EACH BUDGET AS EXPENDITURES; ADOPTING THE REVENUE PROJECTIONS; AND PROHIBITING EXPENDITURES TO EXCEED APPROPRIATIONS.

BE IT RESOLVED by the Mayor and City Council of the City of Monroe, Georgia as follows:

WHEREAS, for the purpose of financing the conduct of affairs of the **City of Monroe** during the fiscal year beginning January 1, 2013 and ending December 31, 2013, the Budget of the City's Revenues and Expenditures for such period, as prepared and submitted to the **City Council** by the City Administrator; and so approved by the **Mayor and City Council**.

WHEREAS, the amounts listed are the appropriations so authorized by the **Mayor and City Council** and are approved for the amounts and purpose indicated.

WHEREAS, the rates listed are so authorized by the **Mayor and City Council** and are approved for the amounts and purpose indicated.

WHEREAS, a budget amendment is considered any action of the **Mayor and City Council** to purchase items not included in original budgeted figures.

BE IT FURTHER RESOLVED that the expenditures shall not exceed the appropriations authorized by this budget and that the expenditures for the fiscal year shall not exceed funding available.

ADOPTED by the **Mayor and City Council** of the **City of Monroe** this 11th day of December 2012.

Greg Thompson, Mayor
City of Monroe

Attest:

Renee L. Prather, City Clerk

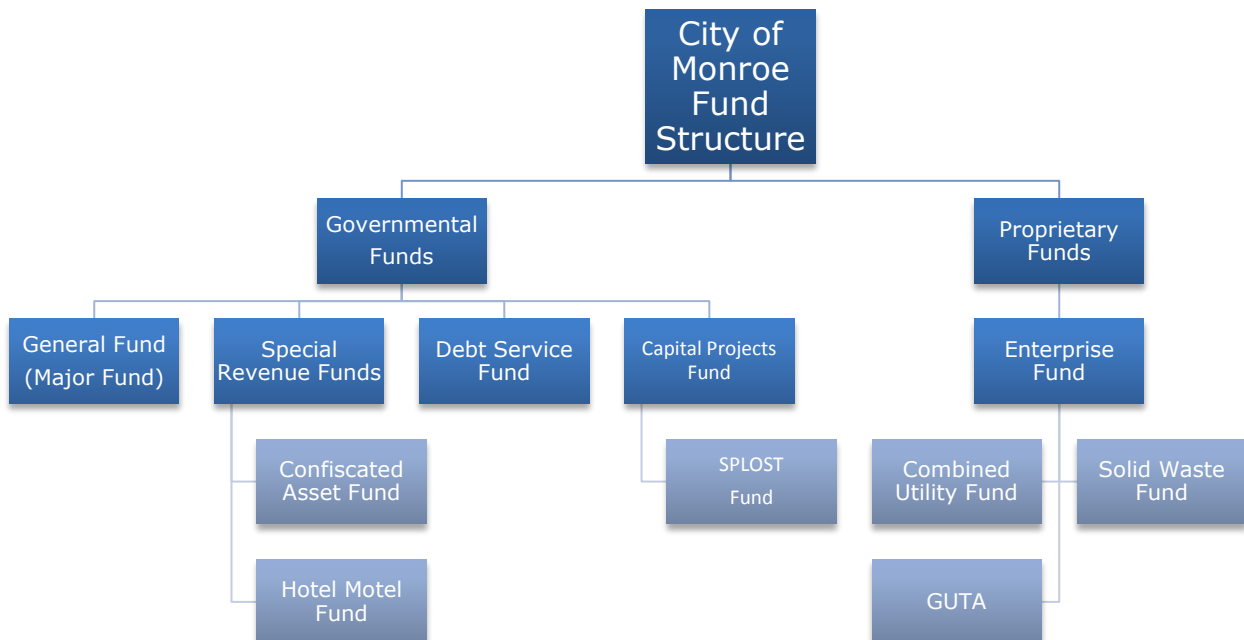

Fund Structure and Basis of Budgeting

The City’s financial reporting system is organized on a fund basis consisting of two major types – governmental and proprietary. Each fund is a separate accounting entity with a self-balancing set of accounts. This is in accordance with generally accepted accounting principles (GAAP). The basis of accounting used for reporting is in accordance with GAAP. The basis for each of the funds is not necessarily the same as the basis used in preparing the budget.

The City of Monroe used the modified accrual basis for budgeting. However, the actual amounts for the governmental funds are shown on the modified accrual basis and the enterprise funds are full accrual basis with the exception that the depreciation expense is not budgeted, repayments on debts are budgeted as expenses and capital assets are budgeted as expenses in enterprise funds.

Budgets are prepared for each fund except the capital projects fund which adopts project-length budgets and is controlled at the project level with the exception of the SPLOST capital project budget which is included in this document.

The following is a discussion and illustration of the city’s fund structure:

Fund Descriptions

The **General Fund** is the principal fund of the City; it supports services associated with the majority of basic governmental activities. The General Fund is used to account for all financial resources, unless they are required to be accounted for within another fund.

Special Revenue Funds are funds used to account for the proceeds of specific revenue resources that are legally restricted. These funds include: Confiscated Assets and Hotel Motel Tax Fund.

Capital Projects Funds are used to account for financial resources to be used for the acquisition or construction of major capital projects and are budgeted on a project-length basis. We have included the City's Special Local Option Sales Tax Fund (SPLOST) in this budget document.

Debt Service Funds are used to account for the accumulation of resources for and payment of the City's long-term debt principal and interest.

Enterprise Funds are used to account for operations that are financed and operated in a manner similar to private businesses. These funds include the Combined Utilities Fund, the Solid Waste Fund and the Georgia Utility Training Academy (GUTA).

The Combined Utility Fund is the largest proprietary fund accounting for the operations of the Electric, Telecommunications, Water, Sewer and Gas systems of the City. The Solid Waste Fund accounts for all solid waste operations of the City. GUTA Fund provides training for city employees as well as other outside organizations.

Series 2001	-	-	-	-	-
Notes Payable					
GEFA #2009-L05WS	2,327,133	-	-	2,327,133	-
Total Business Type Activities	\$ 22,999,333	\$ -	\$ 1,701,300	\$ 21,298,033	\$ 1,690,900

The Constitution of the State of Georgia provides that the general obligation debt incurred by the City shall never exceed 10 percent of the assessed value of all taxable property within the City. In addition, under the Constitution of the State of Georgia, the City shall not incur any new debt without the assent of a majority of the qualified voters of the city voting in an election held for that purpose as provided by law.

As computed in the table below, the City could incur (with voter approval) approximately \$29,127,697 in additional long-term general obligation bonds.

LEGAL DEBT MARGIN INFORMATION

	Fiscal Year
	2012
Debt Limit	\$ 34,502,697
Total net debt applicable to limit	5,375,000
Legal debt margin	\$ 29,127,697
Total net debt applicable to the limit as a percentage of debt limit	15.58%

The following table shows the debt funding requirements remaining over the life of the debt based on current outstanding debt issues. Not included in the table below is \$2,369,805 which is the debt service incurred to the Georgia Environmental Facilities Authority (GEFA) for construction of various water and sewer system projects. This loan is still in the draw down phase and the repayment terms will be determined upon completion of the projects and the final draw being made. Interest accrues at 3.89%.

Below is information concerning the funding requirements for the City of Monroe as of December 31, 2012.

Year	Bonds Payable		Notes Payable		Total
	Principal	Interest	Principal	Interest	
2013	\$ 2,226,300	\$ 1,101,941	\$ -	\$ -	\$ 3,328,241

	<u>\$ 25,577,200</u>	<u>\$ 7,308,637</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 32,885,837</u>

The City's bond ratings are further evidence of its financial strength. General obligation bonds are currently rated A by Standard & Poor's, and revenue bonds are currently rated A- by Standard & Poor's. Recently the Revenue bond rating was upgraded from BBB+ to A- and the GO bond rating affirmed as an A. Having solid financial policies, prudent financial management practices and strong fund balances and financial reserves are principle reasons for these investment grade bond ratings. These ratings translate directly into lower interest rates on the City's debt.

General Fund Revenues

The chart below shows sources with each percentage of the total of revenue for the General Fund.

The City uses trend analysis to project revenues. Changes in the local economy and state mandates are taken into consideration when using this forecasting method.

Taxes. This category of revenue is made up of Property, Alcoholic Beverage, Occupation, Financial Institution, Franchise and Local Option Sales Tax (LOST). The General Fund is projected to receive over 62% of its total revenue from taxes in 2013 with a decrease from 2012 of \$300,000. Property Tax is the City’s largest revenue source followed close by Sales and Use Tax.

The chart below shows the trend in Property Tax and Sales and Use Tax with 3 years of actual collections and 2 years of budget.

Property Tax and Sales and Use Tax Trends

Licenses and Permits. Revenues in this category include Alcoholic Beverage Permits, Building Permits, Insurance License and Regulatory Fees. The 2013 budget had a slight decrease of \$5,000 from 2012.

Intergovernmental. These revenues are received from other governments such as the State of Georgia. They include grants, school resource officer and housing authority supplements and payment in lieu of taxes from the local housing authority. 2013 shows a decrease due to the end of the COPS Grant Program.

Charges for Services. Charges in this category are any fees or other billings from services. There is an increase in the line item for Employee Self Insurance Fees for 2013.

Fines and Forfeitures. These revenues are generated from Municipal Court Fines for violations of City ordinances. The 2013 budget has no increase over 2012.

Other Financing Sources. Transfers to the General Fund from other funds which include transfers of franchise fees of five (5) percent the from city's enterprise funds. A slight increase is budgeted over 2012 due to an increase in Telecommunication Revenue.

GENERAL FUND EXPENDITURES BY DEPARTMENT

General Government

Overview

The General Government Department is responsible for directing the day to day activities of the City. This department is made up of the Mayor, City Council, and City Administrator. The City Administrator oversees all departments, staff and operations. The City Administrator also acts as the City's Personnel Director and is responsible for compliance of City policies and all other regulations.

Goals

- To ensure delivery of quality, cost effective services to the citizens of Monroe.
- To provide effective leadership and management to elected officials and city employees.
- Ensure successful implementation of Mayor and City Council goals and policies.

Finance

Overview

The Finance Department has the responsibility of providing service and oversight of the various financial functions within the City. Primary functions include accounting, budgeting, accounts payable, payroll, billing and collecting receivables, financial reporting and purchasing. In addition, all utility administration, billing, collection, field services and information technology fall within those categories.

Goals/Accomplishments

- Successfully concluded a clean audit for FY 2011.
- Submitted FY 2011 Comprehensive Annual Financial Report (CAFR) for submittal to Government Finance Officers Association (GFOA) CAFR program.
- Submitted FY 2011 Popular Annual Financial Report (PAFR) for submittal to the GFOA PAFR program.
- Prepare and submit FY 2013 adopted budget to GFOA for the GFOA Distinguished Budget Award program.
- Implemented several IT improvements.
- Establish IT hardware replacement schedule for the Finance Department.

Code

Overview

The Code Department is in charge of planning and development for Monroe. The Department is also responsible for building inspections, rezoning and variances and maintaining the future land use map. The department issues all building-related permits and the associated activities as they relate to the permits being issued. These activities include plan review for all new construction, remodels, additions, and miscellaneous projects. In addition, the Code staff issues business licenses for businesses located in Monroe and handles the abatement of nuisance buildings and properties. Staff also functions as secretary to both the Planning Commission and the Historic Preservation Commissions and maintains for public record the minutes and all other documents incidental to the procedures of these Commissions.

Goals/Accomplishments

- To provide economic development, downtown growth and revitalization using the most up to date planning tools available.
- To ensure the standards and codes as set forth by the City of Monroe for safety, health and public welfare are implemented and maintained by regulating and controlling the design, construction, quality of materials, use and occupancy, and location of all buildings and structures within Monroe.

Fire

Overview

The mission of the Monroe Fire Department is "To respond to all emergencies of our citizens in a safe manner, to protect their lives and property through fire prevention, public education, and to mitigate all emergencies and disasters."

The Fire Department provides fire prevention/fire life safety education, fire inspections, fire investigations, and fire suppression operations.

Goals

- Enhance life safety and property conservation through fire prevention and public education.
- Improve overall health of Fire Department employees.
- Insure the maximum amount of safety possible for all personnel engaged in emergency operations.
- Implement a city wide "Early Warning System".

Accomplishments

- Maintain current ISO Class 3 certification.
- Continue to stay abreast of new training and changes in the fire rescue service to provide the best possible service and to reduce the loss of life and property for the citizens and businesses of Monroe.
- Continue daily and weekly inspections of all fire apparatus and equipment by following a regularly scheduled maintenance program.

Highways and Streets – Public Works

Overview

Mission Statement:

We work for you! Our mission is to improve the quality of life for citizens through responsive, efficient, and effective delivery of services to every aspect of the city limits and by reflecting a can-do attitude with our customers.

Vision Statement:

Our vision includes customer service, infrastructure, and employee involvement; by encouraging continuous development and implementation of strategies and actions that resolve issues and achieve objectives while improving daily operations.

Department Description:

The City of Monroe Public Works maintains the City's streets, stormwater systems, public facilities, traffic controls and signage, while also providing residential and commercial solid waste services, along with a top notch operated fleet service center for the protection of the public and improvement of the quality of life for our citizens.

Highlights and goals

1. We value striving to provide top quality, professional, effective and timely services to our residents and businesses.
2. We value respectful and constructive relationships with each other and our customers.
3. We value customer service and satisfaction in a job well done.
4. We value improving our image and maintaining the community's trust.
5. We value accountable employees who exhibit integrity, courtesy, dedication, respect and teamwork in all interactions with each other, the public and elected officials.

Department Programs and Objectives:

1. We value a safe work environment and safe work practices.
2. We value continuous learning from our experiences, subject matter, experts and professional organizations.

3. We value our employee's professional growth and promoting from within the organization.
4. We value the taxpayer, property owner, resident, community based organization, and volunteer as our partners in success.

Public Works Department Responsibilities:

- Trash collection, litter pickup, and recycling.
- Leaf pickup.
- Sidewalk repair and installation.
- Street paving, repair and maintenance.
- Stormwater system installation and maintenance.
- Traffic control.
- Street signs and markings.
- City building maintenance and repair.
- Community building rental.
- Right of way maintenance.
- Fleet maintenance and repair.
- Airport management.

Street & Stormwater Division

To provide safe and efficient roadways, walkways, and stormwater systems for the citizens of Monroe.

Roadway Maintenance and Improvements –

- Pavement Maintenance
- Sidewalk Maintenance
- Right of Way Maintenance

Police

Overview

The Police Department's mission is "To protect and to serve our community with the highest quality of law enforcement service by providing fair, firm and consistent public safety services in partnership with the community." The Monroe Police Department is a full service law enforcement agency, providing proactive enforcement and public safety services to our community. The department works to develop programs that will continue building strong relationships between the community and the department and strives toward complete public awareness of our department and public safety activities.

We operate in the following Divisions:

Office of Chief

- Executive Leadership
- Planning / Vision / Development
- Certification / Professional Standards

Law Enforcement Operations

- Uniform Patrol
- Criminal Investigations
- Chief's Response Team
- Field Investigation Team
- Evidence/Property/Crime Technician

Service and Support

- Day to Day Administrative Operation
- Open Records
- Municipal Court Operations
- Supply Operations
- Training

Goals/Accomplishments

- Continue to exceed the nation average in part 1 and part 2 crimes solved.
- Continue to develop service orientated employees through mentorship, citizen interaction and exceeding the state training requirements.
- Continue to provide professional public safety services to our community while managing our resources in a conservative and responsible manner that reflects our City's leadership visions, goals and responsiveness to our community.

Buildings and Grounds

Overview

To maintain a customer focused division with attention to safety, cleanliness, comfort, image and functionality of city building and grounds through efficient and effective services delivered by a responsive staff, outside contractors, vendors and outstanding leadership. Personnel in this department are skilled in carpentry, plumbing, electrical, HVAC and grounds keeping services.

Goals/Accomplishments

Buildings and Grounds main goal is to provide a safe and pleasant environment in all city owned buildings. They are also responsible for the planning, coordination, renovation and maintenance for all city facilities.

OTHER GOVERNMENTAL FUNDS

Overview

Special Revenue Funds

Special Revenue funds are funds used to account for the proceeds of specific revenue sources (other than expendable trust or major capital projects) that are legally restricted to expenditures for specified purposes. The City of Monroe utilized the following Special Revenue Funds:

Confiscated Assets Fund – This fund is used to account for the City’s share of monies that have been forfeited through the court system that are restricted for law enforcement purposes.

Hotel/Motel Tax Fund – This fund is used to account for hotel/motel taxes collected that are restricted for promotion of trade and tourism in the City.

Debt Service Fund

A fund established to account for the accumulation of resources for, and payment of the City’s long-term debt principal and interest.

Capital Projects Funds

A fund used to account for financial resources used for the acquisition or construction of major capital equipment or facilities other than those financed by proprietary funds.

SPLOST Fund – This fund is used to account for the special local sales tax collected and used for specific purposes. This tax must be approved by a majority of the qualified voters of Walton County. The 2007–2012 SPLOST has ended and the new SPLOST be in place years 2013-2018.

Revenues and Rates

Funding for the Combined Utilities Fund is provided primarily by user fees. The operating revenues provide funding for the operating and maintenance expenses of the utility, routine repairs and maintenance and debt service on all existing debt connected to utilities.

Five percent (5%) of the gross revenue received per month from the operation of the system is placed in a reserve fund that is kept separate from other funds. The money in this fund is used for expansion or major maintenance and repair of the system. Additionally, five percent (5%) of the gross revenue is paid to the General Fund of the City.

The City of Monroe combined utility provides electric, natural gas, sewer, cable, internet and phone services to customers primarily within the city limits. The City has an adequate supply of water, electric and gas to meet the needs of Monroe's expected demand for the next 15-20 years.

Electric System

The electric utility of the City is substantially confined to an area within or near the corporate City limits of Monroe and customers therein needing electric service must take such service from the City. An exception exists if it is a new customer and the load is expected to exceed 9MW. A new customer whose load exceeds 9 MW falls under the Georgia Customer Choice regulation. This regulation allows the customer to take bids and then contract for their electric service. Under this regulation, the City can likewise provide electric service to customers outside of, but strategically near their service territory. The City purchases nearly all of its electricity through the Municipal Electric Authority of Georgia, (MEAG). Planning for generating capacity and/or power purchases to serve the City's electric load is also provided by MEAG Power. This arrangement serves to reduce the risk of adding incremental generating capacity as well as the risk of losing a large customer to individual MEAG Power participants such as the City.

Natural Gas System

Natural gas service is provided within the corporate limits of the City as well as in some areas of Walton County. In 1987, the City, along with 62 other municipally-owned natural gas systems in the State of Georgia, began

purchasing gas from the Municipal Gas Authority of Georgia (MGAG). The City natural gas system consists primarily of two delivery stations and approximately 146 miles of natural gas distribution lines. The two delivery stations are connected to the Transcontinental Gas Pipe Line Corporation. Transcontinental Gas Pipe Line Corporation is the pipeline supplier to the City.

Water System

The City's raw water supply facilities originate with raw water intake from the Alcovy River at the River Intake Pump Station located immediately upstream of Georgia Highway 78. In addition to its raw water intake from the Alcovy River, the City owns the John T. Briscoe, Jr. Raw Water Reservoir ("the Briscoe Reservoir") which increases its total raw water supply capacity.

The City has the ability to pump raw water from either or both of its raw water sources to its water treatment plant. The water portion of the City system is under the jurisdiction of The Georgia Environmental Protection Division (the "Georgia EPD"). The Georgia EPD has approved a reliable raw water yield from the City's current raw water sources of 10 MGD (maximum daily withdrawal). The City has consistently met all requirements set forth by the Georgia EPD as to water quality.

The City's Water Treatment Plant (the "WTP") is located within the City's corporate limits. The WTP is a 10-MGD microfiltration system. The City currently operates and maintains over 235 miles of water lines in its distribution system varying in diameter up to 24 inches. Three water storage tanks, with a total storage volume of 1.5 million gallons, are located throughout the City's distribution system to help satisfy peak water demands and fire protection requirements.

Sewer System

The Jack's Creek Wastewater Treatment plant (WWTP) is a 3.4-MGD trickling filter plant that provides secondary treatment capable of handling peak flows of 9.5 MGD. The sewerage collection system primarily serves areas inside and adjacent to the corporate City limits. This collection system includes approximately 140 miles of sewer lines and 7 lift stations.

ELECTRIC RATES

RESIDENTIAL

	<u>Summer (May - October)</u>	<u>Winter (November - April)</u>
Base Charge	\$10.00	\$10.00
First 700 KWH	\$ 0.09 per kWh	\$ 0.09 per kWh
Over 700 KWH	\$ 0.128 per kWh	\$ 0.078 per kWh

*Plus Applicable Power Cost Adjustment and Applicable Sales Tax

Minimum Bill \$10.00 plus Applicable Sales Tax

COMMERCIAL NON DEMAND

Applicable to non-residential service where average monthly energy consumption is less than 3,000 kilowatthours, based on the most recent 12 months' data in January each year.

	<u>Summer (May - October)</u>	<u>Winter (November - April)</u>
Base Charge	\$16.00	\$16.00
All kWh	\$ 0.155 per kWh	\$ 0.125 per kWh

*Plus Applicable Power Cost Adjustment and Applicable Sales Tax

Minimum Bill \$16.00 plus Applicable Sales Tax

COMMERCIAL DEMAND

Applicable to all commercial or industrial electric service where the average monthly consumption is greater than or equal to 3,000 kilowatthours and the maximum monthly demand is less than 1,000 kilowatts.

Base Charge	\$35.00
Demand Charge	\$ 2.50 per kW

Energy Charges:

First 200 kWh per kW of Billing Demand:

First 3,000 kWh	\$0.125 per kWh
Next 7,000 kWh	\$0.117 per kWh
Next 90,000 kWh	\$0.109 per kWh
Next 100,000 kWh	\$0.101 per kWh

Next 200 kWh per kW of Billing Demand	\$0.053 per kWh
Over 400 kWh per kW of Billing Demand	\$0.047 per kWh

*Plus Applicable Power Cost Adjustment and Applicable Sales Tax

Minimum Bill \$35.00 per meter plus \$8.00 per kW of billing demand plus applicable Sales Tax

INDUSTRIAL

Applicable to all commercial or industrial electric service where maximum monthly demand exceeds 1,000 kilowatts.

Base Charge\$100.00
 Demand Charge\$ 8.00 per kW

Energy Charges:

All consumption kWh not greater than 200 hours times the demand:....
 First 200,000 kWh\$ 0.07 per kWh
 Over 200,000 kWh\$ 0.06 per kWh

All consumption kWh in excess of 200 hours and not greater than
 400 hours times the billing demand.....\$ 0.048 per kWh
 All consumption kWh in excess of 400 hours times the
 Demand.....\$ 0.042 per kWh

*Plus Applicable Power Cost Adjustment and Applicable Sales Tax

Minimum Bill \$100.00 per meter plus \$8.00 per kW of billing demand plus applicable Sales Tax

CHURCH

Applicable to all buildings and facilities owned and solely used by religious institutions and led by licensed members of the clergy. Buildings and facilities used for weekday afternoon educational, preschool and/or recreational purposes may, at the sole option of the City of Monroe, be billed under the otherwise appropriate commercial rate schedule. At the option of high load factor religious institutional accounts, service under the commercial demand tariff may be selected in lieu of this tariff.

Base Charge\$10.00
 All kWh\$ 0.088 per kW

*Plus Applicable Power Cost Adjustment and Applicable Sales Tax

Minimum Bill \$10.00 plus Applicable Sales Tax

SECURITY LIGHTS

<u>TYPE</u>	<u>RATE</u>
100 Watt HPS	\$10.00
150 Watt HPS	\$10.00
150 Watt HPS (ornamental)	\$12.00

10" x 8"	\$4,400.00
10" x 10"	\$4,850.00

ADDITIONAL WATER METERS
(WITHOUT A SEPARATE TAP)

- A 5/8" x ¾ inch water meter must be installed immediately adjacent to his/her existing water meter and must be connected to the same service line which supplies the existing meter.
- Customer's water line that extends from the additional water meter must end outside of the occupancy's foundation and in no way connect to the occupancy's plumbing.
- The purpose of this additional water meter shall be for lawn irrigation and other related activities.
- The consumption of this additional water meter shall not be subject to a sewer charge.

INSTALLATION FEE FOR ADDITIONAL WATER METER: \$200.00

- This Installation Fee only applies when the meter can be installed without a separate tap.
- If an additional tap is required, the standard tap fee shall apply.

NOTE: INSTALLATION FEE FOR ADDITIONAL 1" WATER METER: \$350.00

TEMPORARY WATER METER PERMIT

- \$350.00 Deposit required to use a Temporary Water Meter for water use from a Fire Hydrant at a designated location. Permit Application must be completed and deposit paid in advance of receiving water meter.

ADJUSTMENTS FOR WATER LEAKS

When a customer's water consumption exceeds his or her normal water usage because of a leak on the customer's premises, the City will adjust the amount of the customer's bill, provided that the following conditions are met:

- The leak was relatively un-preventable.
- The total adjustment will be limited to one-half of the water consumption above the customer's normal usage. Normal usage shall be determined by examining the customer's water history for the same month of the year for prior year's usage.
- All of the consumption above normal usage will be adjusted from the sewer charge.
- The City will adjust two consecutive months' bills during any twelve-month period.
- The City may require verification of the leak (i.e. a receipt from a plumber for the repair, etc.)

An adjustment will not be made if it is less than \$5.00

SEWER RATES

RESIDENTIAL

Residential	\$400.00 plus installation charges
Commercial	\$800.00 plus installation charges (Plus installation charges of \$1.75 per ft. over 100 ft.)

NATURAL GAS RECONNECTION FEE

\$150.00 will be charged to reconnect a residential meter that a resident requests to be disconnected for the summer season.

**Gas Cost Adjustment is the increase or decrease in rates charged to customers sufficient to recover the total gas utility costs, including but not limited to commodity costs, pipeline demand costs, pipeline fuel retention costs, applicable hedge costs, costs of distribution system operation and maintenance, administrative costs attributable to utility operations, and transfers and allocation paid to the City.*

UTILITIES FUND EXPENDITURES BY DEPARTMENT

Finance - Utility

Overview

The Finance Department of the Combined Utilities provides administrative and financial support for all departments of the utility as well as customer service for the citizens and users. Divisions in the Finance Department of the utilities are Administration, Billing and Central Service. The Administration division is customer service and cashier operations, Billing handles all utility billing and work orders and Central Service is responsible for meter reading.

Goals/Accomplishments

- To provide quality customer service, accurate billing and meter reading of all City of Monroe Utilities.
- To conduct billing audit of city wide utilities.

Electric and Telecommunications

Overview

The Electric and Telecomm Department is responsible for providing a safe and reliable source of power to residential, commercial and industrial customers while continually working to reduce energy and telecommunications costs. Their mission is to be “committed to provide exceptional service and reliable electricity and telecommunications at a competitive rate.” The City provides power to its customers purchased from the Municipal Electric Authority of Georgia (MEAG).

Goals/Accomplishments

- To provide the residents and businesses of the City of Monroe with outstanding local service, environmental leadership, responsiveness and accessibility.
- To continue working to reduce energy and telecommunications costs and find more efficient and eco-friendly ways to provide its services.
- Replace and upgrade high series street lighting starting with the least energy efficient incandescent lamps.
- Obtain a 0% rejection rate on all wood utility poles.
- Increase electric system reliability throughout the city.
- Increase public awareness of electrical safety.
- Continue to strive for a “Zero-Loss” accident rate.
- Use our multi-homed and allocated public IP address space from the American Registry of Internet Numbers (ARIN) to BGP with current ISP and others
- Continue deploying GPON and RFoG phone service into new small business markets on existing fiber-optic infrastructure.
- Continue to lower band-width cost by leveraging multiple internet providers and large capacity customers.
- Create redundancy throughout the fiber-optic network.
- Increase our territory covered by our communications system.
- Develop a plan to replace all street lights with LED technology.
- Continue to stay on a six-year inspection schedule with Southeastern Wood Pole Inspectors (SWPI) for maintenance of the electric infrastructure.

- Deploy the Smart-Grid throughout the electric distribution system and re-conductor lines using Aluminum ACSR wire and Hastings Spacer Cable.
- Update public information portals by involving local schools, newspapers and electronic media.
- Continue safety training through ECG while utilizing GUTA for more hands-on training.
- Cross train employees and test hardware to reach a comfortable level of understanding before deployment.
- Place Cisco switches at strategic locations throughout the system to loop the fiber.
- Continue to find diverse partners to strategically market and deploy our network.

Water, Sewer and Gas

Overview

The Water, Sewer and Gas department is responsible for the management, repairs and operations of the systems. Their mission statement is "Committed to providing our customers with exceptional water, sewer and natural gas service at the best possible rates." The City of Monroe is responsible for providing a safe and reliable drinking water supply and collection and treatment of wastewater. The City also distributes gas to its customers purchased from the Municipal Gas Authority of Georgia (MGAG).

Goals/Accomplishments

- Ensure reliable distributions of drinking water to residents compliant with all Federal, State and Local requirements.
- To ensure adequate raw water resources to meet the City's future demands.
- Provide infrastructure in the most efficient and equitable manner in a sound, environmental manner.
- Ensure the reliable operation of the wastewater collection and transmission systems through the regular cleaning, inspecting and rehabilitation of system components.
- The water, wastewater, and natural gas division help conserve, protect or sustain the environmental resources in our communities and state through environmental stewardship.
- Maintain potable water quality within all regulatory parameters.
- Ensure consistent operational reliability of all water treatment, water storage facilities, distribution system, wastewater treatment, pumping stations, and collection system.
- Develop a replacement program for the city's deteriorating and aged utility mains.
- Provide and maintain adequate water and wastewater facilities to serve both existing and planned growth development.
- Maintain an annually updated capital improvement plan.
- Increase public awareness of natural gas safety and its green energy capabilities.

Revenues and Rates

The cost of providing residential and commercial solid waste service is financed and accounted for in the Solid Waste Fund. This fund is divided into the following functions: Administration, Recyclables Collection, Solid Waste Collection, and Solid Waste Disposal.

The primary source of revenue is collections from fees charged monthly for the collection of solid waste in addition to the fees collected from the operation of the Transfer Station. The city has contracts with vendors to "transfer" their solid waste which is then transported by a contractor to a landfill.

Commercial rates are based on the size of the container and the frequency of the pickup. Residential rates in 2012 were \$19.26 monthly for residents in the City and \$20.38 for residents located out of the City. Rates automatically increase by 3% annually on January 1st making the 2013 rates \$19.84 for residential in city and \$20.99 for residential out of city.

Solid Waste

Overview

The Solid Waste Department provides curbside household garbage pickup, commercial dumpster pickup, recycling and yard trimming pickup. The City also operates a transfer station where the City contracts with other solid waste providers for the transport of solid waste to the dump site.

Goals/Accomplishments

- To meet Federal and State guidelines and comply with environmental regulations.
- To preserve natural resources.
- To reduce waste and keep costs at a minimum.
- Encourage all citizens to be “waste conscious” and make a sincere effort to reduce the amount of waste generated, practice reduction and recycling whenever possible.

Georgia Utility Training Academy (GUTA)

Overview

The Georgia Utility Training Academy (GUTA) is a state of the art training facility set on 4 ½ acres, specializing in natural gas, water, wastewater, confined space, trenching & shoring, flagging and a fire school.

At GUTA, the focus is on providing cost-effective training for municipalities and utility contractors across the entire southeast. The training does not end in the classrooms and workshop of the 4,000 square foot building, it continues with a mock neighborhood for natural gas leak investigation, many different emergency response scenarios for live training, as well as several different hands on scenarios for water, wastewater and confined space entry.

The trainers of GUTA are certified professionals who have met and exceeded industry requirements. Each trainer possesses a comprehensive knowledge in his/her respective field.

(2) Source: Bureau of Economic Analysis

(3) Source: Georgia Department of Labor

* Data only available at the County level

Note: Beginning in 2005, City unemployment rates were calculated by the U.S. Department of Labor's Bureau of Labor Statistics (BLS) using a revised methodology. This methodology incorporates more current residency factors. Historical data could not be revised using the new method. Thus, estimates for city labor force data for 2005 and forward are not comparable to prior years. In some instances, there have been large changes in the unemployment rates from previous years.

FINANCIAL POLICIES

Financial Policies

The City of Monroe uses the following policies to assist with budget and fiscal management.

Budget Policy

The Budget shall be prepared in full compliance with the State's Uniform Chart of Accounts, and with Generally Accepted Accounting Principles (GAAP) for Governments as promulgated by the Government Accounting Standards Board.

All Budgets shall be adopted at the legal level of budgetary control, which is the fund/department level (i.e. expenditures/expenses may not exceed the total appropriation for any department within a fund without the City Council's approval).

When applicable, project length budgets are adopted for the Capital Projects Fund. All annual appropriations lapse at fiscal year-end. Georgia law requires the City to adopt a balanced budget annually. A balanced budget is one in which budgeted funding sources equal budgeted expenditures and fund balance may be used to balance the budget. The City's expenses may not exceed the amounts appropriated, except in the case of an emergency or a contingency which was not reasonable foreseeable.

Revenue Policy

The City will budget revenues conservatively so that the chance of a revenue shortage during the year is remote.

The City shall strive to maintain a diversified and stable revenue structure to shelter it from short-term fluctuations in any primary revenue source. When possible, the City shall have a diversified revenue mix in order to minimize the impact the effect of economic downturns.

The City will make every effort not to become too dependent on one source of revenue in order to minimize serious fluctuations in any year.

The City will consider market rates and rates of comparable cities in the region when changing tax rates, fees, and charges. The City will review annually all fees and charges to assure that they maintain their inflation-adjusted purchasing power.

All cash donations to any department or agency of the City must be

deposited with the Finance Director's Office. All purchases using such donations must be budgeted and will comply fully with the City's purchasing policies.

Cash Management and Investment Policy

All deposits must be fully collateralized as required by State law.

The City will aggressively pursue all revenues due, including past due utility bills, court tickets and fines, and property taxes, using whatever legal means are available.

The City will pay all obligations on or before the due date.

The City's cash management and investment policies are designed to emphasize safety of capital first, sufficient liquidity to meet obligations second, and the highest possible yield third. Those policies are outlined below:

The City will operate with the least number of bank accounts required by federal and state statutes and regulations and GAAP for governments. Consolidation of bank accounts makes investment decisions easier, and reduces staff time needed to reconcile monthly bank statements.

Accounting, Auditing and Financial Policy

The City will maintain its accounting records and issue its annual financial statements in accordance with Generally Accepted Accounting Principles (GAAP) as promulgated by the Government Accounting Standards Board.

The City shall have a qualified certified public accounting firm conduct an independent audit annually, as required by Georgia Law. Any deficiencies noted by the Auditors shall be corrected immediately by the Director of Finance.

Debt Policy

The City will attempt to fund capital improvements through net income of the utility systems, general revenues, and its portion of any SPLOST (Special Purpose Local Option Sales Tax) funds before resorting to long-term debt issuance. This will reduce the overall indebtedness and strengthen the City's creditworthiness.

The City will not issue notes or bonds to finance operating deficits. Adequate reserves will be maintained to assure this doesn't become necessary. No bond or note will be issued to purchase a fixed asset that has a shorter

useful life than the term of the debt instrument.

The City will issue general obligation bonds or capital outlay notes for necessary general government projects and either general obligation or revenue bonds for enterprise fund projects. The City may also use pooled capital lease funds from GMA and loans from the Georgia Environmental Facilities Authority (GEFA).

No debt will be issued which would increase the outstanding amount of debt above ten (10%) percent of the total assessed value of property within the City. The outstanding amount of debt in this calculation shall not include debt issued for improvements in the utility systems, because that debt will be repaid from charges for services, not from property taxes. These limitations are found in Article IX., Section V, Paragraph 1 and Article IX., Section VI, Paragraph 1 of the Georgia Constitution.

A firm source of revenue sufficient to make the anticipated debt service payments must be identified by the City Council before any capital outlay note, GEFA loan, GMA capital equipment lease, general obligation bond, or revenue bond is issued.

Further, good communication with bond-rating agencies will be maintained in full disclosure on every financial report as well as bond official statements will continue.

GLOSSARY

Glossary

Accounting System: The total structure of records and procedures that identify, record, classify, summarize and report information on the financial position and results of operations of a governmental unit or any of its funds.

Accrual Basis Accounting: A method of accounting in which revenues are recorded when measurable and earned, and expenses are recognized when a good or service is used.

Activity: A specific unit of work or service performed.

Ad Valorem Tax: A tax levied on the assessed value of real property. This tax is also known as property tax.

Adopted Budget: The Budget as formally approved by the City Council.

Amended Budget: The Adopted Budget as formally adjusted by the City Council.

Appropriation Ordinance: The official enactment by the City Council establishing the legal authority for the City officials to encumber or obligate and expend dollar resources.

Appropriation: An authorization made by the City Council which permits officials to incur obligations against and to make expenditures for a stated purpose. Appropriations are usually made for fixed dollar amounts and are typically granted for a one (1) fiscal year period.

Assessed Value: The value at which property is taxed. The Assessed value in the state of Georgia is forty percent (40%) of the fair market value.

Assessment: The process of making the official valuation of property for taxation.

Assets: Property owned by the City which has book or appraised monetary value.

Audit: A systematic examination of resource utilization concluding in a written report. It is a test of management's internal accounting controls.

Authority: A government or public agency created to perform a single function of a restricted group of related activities. Usually such units are

financed from service charges, fees and tools, but in some instances they also have taxing powers. An authority may be completely independent of other governments or partially dependent upon other governments for its creation, its financing or the exercises of certain powers.

Balance Sheet: A statement purporting to present the financial position of an entity or fund by disclosing the value of its assets, liabilities, and equities as of a specified date.

Bond Discount: The excess of the face value of a bond over the price for which it is acquired or sold.

Bond Premium: The excess of the price at which a bond is acquired or sold over its face value.

Bond: A written promise to pay a specified sum of money, called the face value or principal amount, at a specified date or dates in the future, called the maturity date(s), together with periodic interest at a specific rate.

Bonded Debt: The portion of indebtedness represented by outstanding bonds.

Budget Amendment: A budget amendment alters the total appropriation for a department or fund and requires approval by an ordinance passed by the Board of Commissioners.

Budget Calendar: The schedule of key dates or milestones which the City follows in the preparation, processing and adoption of the budget.

Budget Document: The official written statement prepared by the Budget office and supporting staff which presents the Proposed Budget to the City Council.

Budget Resolution: The official enactment by the City Council legally authorizing the Financial Director to obligate and spend resources.

Budget Transfer: Intradepartment Transfer: A transfer from one account in a division, to another within the same division that does not increase the departments' total budget. These transfers may be made upon the approval of the Finance Director.

Budget: A plan of financial operation embodying estimates of proposed expenditures for a given period and the proposed means of financing them.

Used without any modifier, the term usually indicates a financial plan for a single fiscal year.

CAFR: Comprehensive Annual Financial Report which is an audited and printed copy of the City's financial statement at the end of a given fiscal year.

Capital Assets/Expenditures: Capital outlay of five thousand dollars (\$5,000) or more that has a useful life in excess of one year.

Capital Improvement Program (CIP): A multi-year plan developed for capital improvements, which is updated annually. All improvements are to be made in accordance to this plan.

Capital Outlays: Expenditures for the acquisition of capital assets. Includes the cost of land, buildings, permanent improvements, machinery, large tools, rolling and stationary equipment.

Capital Projects Fund: A fund used to account for financial resources used for the acquisition or construction of major capital equipment or facilities.

Cash Basis: A basis of accounting under which transactions are recognized only when cash is received or disbursed.

CDBG: Community Development Block Grant.

Charter: The legal document in which the State of Georgia grants the City's authority.

Confiscated Assets Fund: This fund is used to account for the City's share of monies that have been forfeited through the court system that are restricted for law enforcement purposes.

Construction in Progress: The cost of construction work that has been started but not yet completed.

Contingency: A budgetary reserve set aside for emergencies or unforeseen expenditures.

Contractual Services: Are items of expenditure for services the City receives from an Inter-Department Transfer or from an outside company. Utilities, rent, and postage are examples of contractual services.

COPS: Federal grants awarded to support community policing programs and other law enforcement initiatives.

Debt Service Fund: A fund established to account for the accumulation of resources for, and payment of, general long-term debt principal and interest.

Debt Service: Expenditures for principal and interest payments on loans, notes, and bonds.

Debt: An obligation resulting from the borrowing of money or from the purchase of goods and services.

Deficit: 1.) The excess of an entity's or fund's liabilities over its assets (See Fund Balance). 2.) The excess of expenditures or expenses over revenues during a single accounting period.

Delinquent Taxes: Taxes remaining unpaid after the due date. Unpaid taxes continue to be delinquent until paid, abated, or converted into a lien on property.

Department: A major unit of organization in the City of Monroe comprised of subunits named divisions or cost centers and responsible for the provision of a specific package of services.

Depreciation: (1) Expiration in the service life of capital assets attributable to wear and tear, deterioration, action of the physical elements, inadequacy or obsolescence. (2) The portion of the cost of a capital asset which is charged as an expense during a fiscal period.

Enterprise Funds: A fund established to account for operations that are financed and operated in a manner similar to private enterprise – where the intent of the governing body is to provide goods or services to the general public, charging user fees to recover financing costs. An example is the City of Monroe Combined Utility.

Expenditure: This term refers to the outflow of funds paid or to be paid for an asset obtained or goods and services obtained regardless of when the expense is actually paid. This term applies to governmental funds.

Expense: Outflows or other using up of assets or incurring of liabilities during a period from delivering or producing goods, rendering services or carrying out other activities that constitute the entity's ongoing major or

central operations for example, depreciation. This term applies to Enterprise Funds.

Fiscal Year: A 12-month period of time to which the annual budget applies and at the end of which a governmental unit determines its financial position and the results of its operations.

Function: An accounting entity which is part of a fund. It is a compilation of all costs associated with a program or a department within a fund.

Fund Accounting: A method of accounting where resources are allocated to and accounted for in separate funds based upon the purposes for which they are to be spent and the means by which spending activities are controlled.

Fund Balance: Fund Balance is the difference between assets and liabilities of a governmental fund. Because assets may include non-cash items, fund balances may not represent liquid assets.

Fund Equity: The excess of assets over liabilities. A portion of the equity may be reserved or designated; the remainder is Fund Balance.

Fund: A fiscal and accounting entity with a self-balancing set of accounts recording cash and other financial resources, together with all related liabilities and residual equities, or balances and changes therein, which are segregated for the purpose of carrying on specific activities or attaining certain objectives in accordance with special regulations, restrictions, or limitations.

FY: The abbreviation for Fiscal Year which the twelve (12) month period beginning on January 1st and ending on December 31st.

GAAP: Generally Accepted Accounting Principles as determined through common practice or as promulgated by the Governmental Accounting Standards Board, Financial Accounting Standards Board, or various other accounting standards setting bodies.

GEFA: Georgia Environmental Finance Authority (Formerly, Georgia Environmental Facilities Authority).

General Fund: A fund used to account for all transactions of a governmental unit that are not accounted for in another fund.

General Obligation Bonds: When the City pledges its full faith and credit to the repayment of the bonds it issues, then those bonds are general obligation (G.O.) bonds. Sometimes the term is also used to refer to bonds which are to be repaid from taxes and other general revenues.

GFOA: Government Finance Officers Association is a support organization whose purpose is to enhance and promote the professional management of governments for the public benefit.

GO Debt Service Fund: A fund established to account for the accumulation of resources for, and payment of the City's long-term debt principal and interest.

Governmental Funds: This category of funds includes typical governmental activities and includes funds such as the General Fund, Special Revenue Fund, and the Debt Service Fund. These funds are set up to measure current expendable financial resources (only current assets and current liabilities) and uses the modified accrual basis of accounting.

Grant: A contribution of assets (usually cash) from one government unit or organization to another. Typically, these contributions are made to local governments from the state or federal governments to be used for specific purposes and require distinctive reporting.

GUTA: The Georgia Utility Training Academy (GUTA) is a training facility specializing in natural gas, water, wastewater, confined space, trenching & shoring, flagging and fire training.

Hotel/Motel Fund: This fund is used to account for hotel/motel taxes collected that are restricted for promotion of trade and tourism in the City.

Insurance Premium Tax: Tax paid by insurance companies for premiums collected inside the city.

Interfund Loan: A loan made by one fund to another to be repaid at a later date.

Intergovernmental Revenue: Revenue from other governments in the form of entitlements, grants, shared revenues or payments in lieu of taxes.

Investment: Securities held for the production of income in the form of interest and dividends.

L.O.S.T. (Local Option Sales Tax): Tax levied at the rate of one percent which applies to the same items as the State sales tax, except that the local option sales tax also applies to sales of motor fuels. In order to impose this tax, the qualifying entity must submit a copy of a resolution if more than one-half of the votes cast are in favor of the tax.

Lease-Purchase Agreements: Contractual agreements that are termed leases, but that in substance are purchase contracts.

Levy: To impose taxes, special assessments or service charges for the support of government activities.

Liabilities: Probable future sacrifices of economic benefits, arising from present obligations of a particular entity to transfer assets or provide services to other entities in the future as a result of past transactions or events.

Line-Item: A detailed classification of an expense or expenditures classified within each Department.

Long-Term Debt: Debt with a maturity of more than one year after the date of issuance.

Major Fund: A governmental fund or enterprise fund reported as a separate column in the basic fund financial statements. The general fund is always a major fund. Otherwise, major funds are funds whose revenues, expenditures/expenses, assets, or liabilities (excluding extraordinary items) are at least 10 percent of corresponding totals for all governmental or enterprise funds and a least 5 percent of the aggregate amount for all governmental and enterprise funds for the same item. Any other government or enterprise fund may be reported as a major fund if the government's officials believe that fund is particularly important to financial statement users.

Maturities: The dates on which the principal or stated values of investments or debt obligations mature and may be reclaimed.

Mill: One one-thousandth of a dollar of assessed value. A tax rate of one mill produces one dollar of taxes for each \$1,000 of assessed property valuation.

Millage: Rate used in calculating taxes based upon the value of property, expressed in mills per dollar of property value.

Mission: The mission statements included in Department budget requests are designed to inform the reader of the department's essential functions or activities/responsibilities/tasks they are charged to accomplish, as well as, the major services they provide.

Modified Accrual Basis: Governmental funds use the modified accrual basis of accounting. Revenues are recognized in the period in which they become both available and measurable. Expenditures are recognized at the time a liability is incurred.

Nonoperating Expense: Proprietary fund expenses incurred in performance of activities not directly related to supplying the basic service by a governmental enterprise.

Nonoperating Income: Proprietary fund income that is not derived from the basic operations of such enterprises.

Objective: An objective is a decision about the amount of progress to be made within a specified period of time. It states in measurable and quantitative terms the results to be achieved within a specified time and plans the incremental steps to achieve the goal.

Operating Costs: Operating cost are proprietary (Enterprise) fund expenses that directly relate to the fund's primary service activities. For example: salaries and wages, expendable supplies, and contractual services.

Operating Transfer: Legally authorized interfund transfers from a fund receiving revenue to the fund that makes expenditures.

Ordinance: A formal legislative enactment by the governing body of a City. It is not in conflict with any higher form of law, such as state statute or constitutional provision; it has the full force and effect of law within the boundaries of the municipality to which it applies.

PAFR: The Popular Annual Financial Report is a report containing extracted accounting information specifically designed to be readily accessible and easily understandable to the general public and other interested parties without a background in public finance.

Performance Measures: Specific quantitative productivity measures of work performed within an activity or program. Also, a specific quantitative measure of results obtained through a program or activity.

Personal Property: Property that can be moved with relative ease, such as motor vehicles, boats, machinery, and inventoried goods.

Personal Services: Expenditures for the payment of salaries, wages and fringe benefits of employees.

Property Tax: Tax based on assessed value of a property, either real estate or personal. Tax liability falls on the owner of record as of the appraisal date.

Proprietary Funds: This category of funds often emulates the private sector and includes Enterprise Funds. These funds are set up to measure the flow of economic resources (all assets and liabilities) and use the accrual basis of accounting.

Rating: The credit worthiness of a City as evaluated by independent agencies, with AAA or Aaa being the highest.

Real Property: Land, buildings, permanent fixtures, and improvements.

Reserve: (1) An account used to earmark a portion of fund balance to indicate that it has been earmarked for a particular purpose; and (2) an account used to earmark a portion of fund equity as legally segregated for a future use.

Resources: Total dollars, people, materials and facilities available for use including estimated revenues, fund transfers, and beginning fund balances.

Retained Earnings: An equity account reflecting the accumulated earnings of an enterprise or internal service fund.

Revenue Bonds: Bonds whose principal and interest are payable exclusively from earnings of an enterprise fund.

Revenue: Increases in the net current assets of a government fund type from other than expenditure refunds and residual equity transfers. Examples include property taxes, licenses and fees, and charges for services.

S.P.L.O.S.T. (Special Purpose Local Option Sales Tax): An additional 1 percent sales tax that may be imposed for a specific time period on the same items as the State sales tax. The tax may be levied with voter approval and must be used for specific capital projects or capital outlay.

Self-Insurance: The formal assumption or partial assumption of risks and the accounting of results. Specific accounts are set aside to fund the risks. Any losses which do occur are charged against those accounts or funds.

Special Revenue Fund: A fund used to account for the proceeds of specific revenue sources (other than expendable trust or major capital projects) that are legally restricted to expenditures for specified purposes.

Tax Anticipation Note (Tan): Borrowing by a local government against future anticipated tax revenue.

Tax Digest: The total assessed value of taxable property for a particular area.

Tax Levy: The total amount to be raised by general property taxes for operations and debt service purposes.

Tax: A compulsory charge levied by a governmental unit for the purpose of raising revenue. These revenues are used to pay for services or improvements provided for the general public benefit.

TE Grant: Transportation Enhancement Grant made available by the Georgia Department of Transportation (GDOT) to provide for sidewalks, street lighting and other improvements.

User Fees: Charges or fees established to recover part or all of the costs incurred in the provision of services by a government; based on the philosophy that the recipient of the benefit should pay for the services. Also called Charges for Service.
